

Kardias Quing

ARTIST

BIO

A contributing soul to Vancouver music culture for nearly a decade, Filipino/Canadian artist Kardias Quing offers a message of love and sovereignty to her community.

Through her collaborations with producer and long time friend Withinroots, they have cultivated and continue to create a repertoire that uplifts and empowers.

Influenced by Indie R&B and Alternative Pop, her creative efforts cut through the woes of modern distraction, and bring us all back to our infinite possibility.
